## Exceptional Services

### SSM Heart Institute

- Our accredited Chest Pain Center with percutaneous coronary intervention is one of only three in the St. Louis region and the only one in St. Charles County. The American Heart Association (AHA) recommends a guideline of 90 minutes door-to-balloon. We have achieved door-to-balloon times of as low as 60 minutes.

### SSM Neurosciences Institute

- St. Joseph Health Center is an American Stroke Association Get With the Guidelines<sup>SM</sup>—Stroke Gold Performance Achievement Award recipient, recognized for commitment and success in implementing a higher standard of stroke care. We ensure that stroke patients receive treatment according to nationally accepted standards and recommendations. When every second counts, our experienced team of neurologists, neuro-interventionists, neurosurgeons, stroke coordinators, ER physicians, radiologists, dedicated nurses, and clinicians work together to deliver life-saving treatment.

### Hyperhidrosis

- Our expert specialists are the only ones in St. Charles County to treat hyperhidrosis (excessive sweating) through a surgical solution known as Endoscopic Transthoracic Sympathectomy Clamping (ET-C).

### The Vascular Institute

- The Vascular Institute is recognized as a leader in performing emerging endovascular procedures and established open vascular procedures. Board-certified endovascular/vascular surgeons perform more than 750 procedures each year and are highly trained and qualified to handle any vascular condition.

### Level II Trauma Center

- St. Joseph Health Center is the only Level II Trauma Center in St. Charles, Warren, Lincoln and Montgomery counties. It is designated by the state of Missouri and has been recertified through 2013.

Through our exceptional health care services, we reveal the healing presence of God.
