

Drop-In Tuition Rates

Effective: January 1, 2023

SSM Health Child Care Center
723 S. Orchard St.
Madison, WI 53715
(608) 255-4880

Age Group	Whole Day	Extended Day
Infant (6 weeks - 1 year)	127.00	150.00
Cub (1 year – 2 year)	127.00	150.00
Toddler (2 year-3 year)	115.00	139.00
Preschool (3 years +)	107.00	128.00

The following day types are defined below:

- **Whole Day:** more than 5 up to 9 ½ hours/day
- **Extended Day:** more than 9 ½ up to 11 hours/day

Tuition rates include breakfast, lunch and afternoon snack, baby food and baby wipes (where applicable), neighborhood fieldtrips and activities.

Drop-in care is defined as care requested by an enrollment eligible family for a child not enrolled in the Center. This care **is not meant for the purpose of ongoing, consecutive care, but to provide child care for those families with a temporary need** (i.e. regular center closed for the day, nanny is on vacation for a week). Drop-in enrollment will be provided as regularly scheduled enrollment allows. Enrollment vacancies will be determined based on the child to teacher ratios on the requested date and assessed in order of date of request. Drop-in requests will be assessed only after scheduling the needs of regularly enrolled children. At **no** time will drop-in enrollments replace scheduled enrollments or require child to teacher ratios to exceed SSMHCCC'S standards. Drop-in enrollment decisions will also be based on the Center's ability to meet the needs of all children in attendance. **Scheduling an In-take conference with the primary teacher is mandatory. This conference must take place prior to the child's drop-in day and all forms must be completed and accurate before care can be provided.**

Payment is expected on the day of care. Make check payable to SSM Health - St. Mary's Hospital.
