

# Getting To The SSM Health Cardinal Glennon St. Louis Fetal Care Institute

## SSM Health Cardinal Glennon Children's Hospital

## LOCATION

The St. Louis Fetal Care Institute is located within **SSM Health Cardinal Glennon Children's Hospital, 1465 S. Grand Blvd, St. Louis, MO 63104**

## PARKING

Enter the Cardinal Glennon parking area from Park Ave.

There are two reserved parking spots for expectant mothers near the north entrance of the parking garage, near the helipad. If those spots are not available, you may park anywhere in the garage or parking lot.

## DIRECTIONS INSIDE THE HOSPITAL

- As you come in the main entrance, check-in at the front desk.
- Veer to the left, past the gift shop through the atrium, and continue through the double set of doors.
- Make a right and follow signs to the Fetal Care Institute.

**All fetal ultrasounds and fetal echocardiograms take place inside the Fetal Care Institute, not the Dallas Heart Center or Imaging.**
