Short-Term Stays  
Recovery Support  
Caregiver Relief

At SSM Health, we know that keeping your loved one safe and well cared for is your main goal.

That's why we're here to support your family during:

- Caregiver vacations
- Post-hospital recovery
- Trial stays for potential residents
- Support during illness
- Family breaks and relief

Whether you require respite care for a few days or a few weeks, you can feel confident your loved one is in a comfortable, safe environment that includes:

- Private room
- Delicious, nutritious meals
- Medication assistance
- Daily care and activities
- Housekeeping and laundry
- Friendly, home-like setting
